

January 17, 1973

SENATOR DICKINSON: Mr. Speaker, members of the body, I have a question for Senator Carpenter or anyone who would like to attempt to answer it. I am wondering what specific services this bill has in mind to offer the public. Is it, more or less, an informational center or do they expect to have branch offices of all the offices in the state house and scattered around Lincoln and-----so Senators can really conduct business. (inaudible)

Machine malfunction.

(End of Belt #5)
